COMMUNITY SURPRISE FOR MR. AND MRS. J. J. WHITE

Mr. and Mrs. J. J. White, two much-loved citizens of our district, were feted by the entire community on Monday evening when around 200 friends gathered for the gala event. Arranged entirely in secret by committees from all organizations and residents of the district, the affair proved a complete surprise to both parties, which made the event even more interesting.

For the many kindnesses and willing assistance of Mr. and Mrs. White to the community at all times it was decided when Mr. White was just retired as Customs Officers that it would be a fitting time to give them a token of appreciation. So the idea grew until the gala event of Monday night was the outcome, and Mr. White was presented with a beautiful "Grandfather" clock, fittingly inscribed as follows:

Presented to J. J. White, Esq., by his many friends, on his retirement from the Canadian Customs — April, 1934.

To Mrs. White was given a lovely travelling case, and a beautiful basket of flowers, sweet peas and rose buds.

As had been previously arranged, Mr. and Mrs. White had been invited out for the evening and it was while they were absent the guests from every section of southern end of Vancouver Island took possession of the home and garden and completed arrangements for a grand surprise. On their return they were greeted on entering the gate by a guard of honor formed by the local Scouts under Scoutmaster King and escorted to the door by A. W. Hollands and A. S. Warrender, where a platform had been erected for the presentation, the guests covering the lawn and garden and the Saanich "Hill Billies" playing gay tunes. Alex. McDonald, M.L.A., then spoke a few words and paid a tribute to Mr. White on his sound judgment, courtesy and kindly manner in the execution of his duties, and to him as a private citizen of sterling worth, enjoying the esteem and friendship of the whole community, always ready to further any effort for the betterment and progress of the district, and expressed the hope that he would continue to do so. He then read the following address:

"Sidney, B.C., May 7th, 1934.

"James J. White, Esq.:

"On behalf of your many friends and business associates throughout this part of Vancouver Island, we are gathered here tonight to mark the occasion of your retirement as Customs Officer. During the long period that you have held this important office your sound judgment, courtesy and kindly manner have endeared you to all and won for the Port of Sidney a reputation second to none.

"While giving strict attention to your official duties, we find as a private citizen you have used the time at your disposal in furtherance of every effort for community betterment and progress. This has brought about a happy blendment in the directorate of many community organizations and has made heavy demands on your leisure time. These demands have invariably been met in a cheerful manner which has inspired others to greater effort.

"The members of the different Associations with which you have been long affiliated wish to express their appreciation of your services in the various roles you have filled and look forward with great pleasure to a continuance of this co-operation and help.

"On behalf of your many friends and associates and as a mark of esteem and friendship of the whole community we would ask you to accept this token of appreciation of your many services in various endeavors.

"We wish you and your family many years of enjoyment in your retirement and the possession of good health to enjoy that leisure.

"SAMUEL ROBERTS,

"Chairman of Committee."

The beautiful basket of flowers was presented to Mrs. White by Mrs. A. McKenzie, of Saanichton, and the travelling case by Mrs. J. Gilman, of Sidney, on behalf of the ladies.

Mr. and Mrs. White were so surprised and deeply impressed by the display of affection by their many friends that words failed them — a few words of thanks and visible deep feelings humbly displayed conveyed their true appreciation to the large gathering in no uncertain manner.

The guest favorite, "My Grandfather's Clock," to the accompaniment of the Hill Billies' band, and led by R. Thompson, was their song.

The guests were received in the house by Mr. and Mrs. White, where tea was served and a jolly evening's entertainment of music and commu-

Local Couple United At Quiet Ceremony

A ceremony marked by quietness inside and exuberance outside of Saint Paul's Manse, Third Street, Sidney, last Thursday evening, May 3rd, united Miss Genevieve R. Ricketts, eldest daughter of Mr. and Mrs. F. A. Ricketts, Beaufort Road, Sidney, to Mr. Edward Woodward Bosworth, eldest son of Mrs. Douglas McLennan and the late Mr. Bosworth of Salt Spring Island.

The ceremony, which was performed by Rev. Thos. Keyworth, took place at the manse, relatives and intimate friends only in attendance. The bride was assisted by Miss "Dot" Cameron of Sidney, while the groom was supported by Mr. F. Brunell of Victoria.

Bells and confetti greeted their exit from the manse, and the happy couple were submitted to joyride with enthusiastic and interested outsiders in attendance.

TO DISCUSS JUNK AND GARBAGE DISPOSAL HERE

The question of a dumping ground for the junk district is very much to the fore these days as it is now against the law to use the former place at the foot of Fifth Street to dump garbage and useless junk, as notices have been posted by the police to this effect.

As this is matter of vital importance to everyone in the district a public meeting is to be held on Tuesday evening, May 15th, in S. Roberts' office, and all interested are asked to attend. Meeting will be called to order at 8:30 p.m.

HOSPITAL DAY AT REST HAVEN MONDAY, 14TH

Through the columns of the Review the management of Rest Haven takes pleasure in announcing to their patrons, friends and the general public that the doors of the institution will be open for inspection on Monday, May 14th, in commemoration of the birthday of Florence Nightingale, from 2:30 to 4:30 p.m. During these hours guides will be stationed at various points for the benefit of visitors who may wish to inspect the institution.

MRS. J. ERIKSEN SHOWER GUEST

By Review Representative
PENDER ISLAND, May 8.—Another happy event of the week was the post-nuptial "shower" given at the manse by Mrs. W. A. Alexander in honor of Mrs. Julius Eriksen (formerly Miss Beth Brackett), whose marriage took place quietly in Vancouver on April 21st.

The rooms were gay with pink tulips, sunnys, bridal-wreath and other spring flowers, while a miniature wishing-well surrounded by a leucis, occupied one end of the living room. A beautifully decorated "Hoop Chest" was presented to the bride and contained many lovely and practical gifts.

A contest was enjoyed, the winner being Mrs. W. B. Johnston, and then followed a period of story-telling.

A delicious tea was served, the hostess being assisted by her sister, Miss Grace Sherman.

Those present included Mrs. J. R. Eriksen, the Misses Gwen Stiggins, Isabel Corbett, Hilda Logan, Florence Hand, Maude Dickinson, Mrs. J. A. Brackett, Mrs. Bradley, Mrs. A. H. Menzies, Mrs. R. S. W. Corbett, Mrs. Dobree, Mrs. V. Menzies, Mrs. W. B. Johnston, Mrs. F. C. Smith, Mrs. A. Sproule, Mrs. S. P. Corbett, Mrs. Alexander and Miss Sherman.

By singing was enjoyed. The tea table in the dining room looked very pretty centred with a beautiful bouquet of iris and greenery and the rooms looked very gay arranged with tulips and seasonal flowers.

At the close of the more formal part of the evening a more informal and all-time songs led by the Saanich Hill Billies of Brentwood, under the direction of L. Thompson, was much enjoyed and greatly appreciated.

GYMNASIUM FUND AIDED

Quite a substantial sum will be handed over for the North Saanich Service Club gymnasium fund as a result of the card party last week, sponsored by the North Saanich Board of Trade.

Twenty-four tables of cards were in play altogether, both contract bridge and military 500 being enjoyed. Prize winners for bridge were Mrs. H. L. Ricketts and A. Sansbury, first; Mrs. A. Sansbury and H. L. Ricketts, second. For 500, Mr. and Mrs. Geo. Clark, W. J. Michell and Ralph Michell, first table; D. Lawrence, J. Storey, Boden Storey and Jack Gregory, second table.

A. W. Hollands, president of the North Saanich Board of Trade, made the presentations to the winners.

Numerous tombolas were distributed during the evening to lucky ticket holders.

Refreshments were served at the close of the evening with Mrs. Tuttle in charge.

CAMP FUNDS TO BE BOOSTED

The camping season is nearly here and the local Scouts are working hard to raise funds to ensure their annual outing. The Scout Council has arranged a bridge party for next week, May 16th, in the Guide and Scout Hall, proceeds of which will go towards this fund.

Both contract and auction will be played and reservations may be made to Mrs. P. J. Baker or Mrs. E. W. Hammond.

Your whole-hearted support and co-operation is sought in this undertaking.

Admission price, which includes refreshments may be seen under Coming Events.

DOWNES GAVE FINE LECTURE

W. Downes, provincial entomologist, delivered an interesting lecture on "Garden Pests" at the May meeting of the North and South Saanich Horticultural Society on Thursday last. Some excellent slides on the subject were shown by Mr. Downes at the close of the address.

A letter was read from the Canadian Horticultural Council regarding the Macoun Memorial, which is to be erected in the form of a rock garden at the Central Experimental Station, Ottawa. Dr. W. T. Macoun was director of the Experimental Farm system throughout Canada at the time of his death. The sum of \$5.00 was voted towards this memorial by the local group.

Dr. Newton, the president, spoke on the "Seed Potato Contest" for juniors being sponsored by the society, explaining the aims and objects of the competition.

This was the last regular indoor meeting until fall, a number of outings having been planned for the summer.

The annual summer flower show was also discussed, details of which will be determined at the executive meeting to be held this week.

CLEAN-UP AT SAINT PAUL'S

A great deal of interest is being manifested in the endeavor to make the approach to Saint Paul's Church comfortable and attractive. The new steps are particularly a joy to those who find climbing at all difficult. It is proposed to continue to improve the appearance by adding decorative trees and bushes and the removal at least of part of the once desirable driving shed. The new paint already used makes the need of further decoration particularly desirable and plans are under way to paint and stain the entire building. A subscription list has been opened and generous response given. Further assistance is needed, however, and all interested are invited to communicate with any of the trustees or the minister, intimating their desire to help.

MOTHER'S DAY THIS SUNDAY

Mother's Day will be marked by special offerings at each service at Saint Paul's United Church next Sunday. At the Sunday School service at 9:45 a.m. an especially attractive program of worship, including a pageant, boys' quartette, and an address by Rev. Canon Hazellhurst. A monologue and beautifully bright singing will be rendered.

At 7:30 p.m. a family service will be conducted by the minister when everything in the service will be of interest to the family. Parents are asked to bring their children and are assured of success from beginning to end.

Appropriate singing will be featured for the service. Come and worship with mother and the children!

Young People Plan Activities for Summer

The young people are looking forward with enthusiasm to the summer schedule and have planned for their first outing their annual hike up Mount Newton to be held on Monday, May 28th.

One more business meeting on May 21st will be held before the commencement of the summer events.

The North and South Saanich Horticultural Society are sponsoring this contest, which is open to boys and girls between the ages 15 to 20 and for which excellent prizes are being offered.

BIG ALL DAY SPORTS AT LOCAL PARK MAY 24TH

A big day for the whole community is once again arranged for May 24th.

An energetic committee has almost completed plans for the day and the long list of events below includes something for the entire population, so plan now to spend the day in Sidney and join the crowds at the local Memorial Park.

All children of the entire Saanich Peninsula and the Gulf Islands and the older folks, too, are invited to take part.

Something new on the program this year, at least for a number of years, will be the children's decorated parade, commencing at the Post Office at 10:30 in the morning and proceeding to the park.

Co-operation is being received from the North Saanich Board of Trade, North Saanich Service Club, Sidney Social Club, North Saanich Branch of the Canadian Legion, North and South Saanich Agricultural Society, Deep Cove Social Club, I.O.D.E., North and South Saanich Horticultural Society, Saanich Pioneer Society, Sidney Jersey Breeders, Boy Scouts, Trail Rangers, Girl Guides, Y.P.S., A.Y.P.A., etc., and the committee in charge feels confident that with all these well-wishers and workers that Good Old Queen Victoria's birthday will be fittingly celebrated.

Large contingents of children and grown-ups are expected from James Island, Saanichton, Keating, Mount Newton, Brentwood, Prospect Lake, Tod Inlet, Moodyville and other parts to the south of Sidney, while some are expected from the islands to the east and north.

Besides voicing approval of the efforts to make the 24th a big day, the North Saanich Service Club has donated a silver challenge cup to be awarded to the boy making the most points in the foot races and jumps, and the Sidney Social Club is donating a silver challenge cup for the girl making the most points. The I.O.D.E. has voted a sum of money to help with expenses. The Sidney Social Club has also donated three dozen cups and saucers to the Park Board for use at the refreshment booth.

Here is a line-up of the various events as at present arranged:

TENNIS CLUB MAKES PLANS FOR SEASON

A general meeting of the Sidney and District Tennis Club was held in Stacey's Hall on Tuesday, May 1st, with the president, Major Macdonald, in the chair.

The two amendments to the constitution moved at the annual meeting were adopted, i.e. (1) that a family subscription be arranged so that in families of more than two active members the fees will be \$5 each for two and \$2 for each additional member; (2) that the age of junior members be raised from 16 to 18 years of age.

It was also decided to continue the club will not enter a team in a league this year. It is hoped to have friendly matches with other clubs and club tournaments to take place during the summer.

Having tea served at the courts on Saturday afternoons, weather permitting, as long as the number of players turning out warrants having a caterer.

Players are reminded that subscriptions are due and that non-members may play at a small fee to be paid to the treasurer, Miss G. Cochran, or any other member of the executive.

An open tournament will be held on May 24th and any players wishing to take part are asked to get in touch with the games captain, Miss Iris Goddard. Details have not been arranged but it is expected that the tournament will be for mixed doubles only. There will be a small entrance fee which will also cover ground fees for the day.

LATEST SPORTS HAPPENINGS

BASEBALL

The Sidney Athletic Club's baseball team, headed by Tommy Rigg, as manager, has entered the Victoria Twilight Baseball League and play is to take place locally at the Memorial Park on Sunday afternoons and once during the week, days to be determined. Baseball fans will no doubt be out to lend their support. There will be five teams in the Twilight League, we understand.

LUCKY LINDIES BUSY

The Lucky Lindies softball team played North Saanich at the North Saanich grounds Tuesday, dropping the game by a score of 8-3. GIRLS' SOFTBALL PLAY

Assurance of SAFETY

The first requirement of the investor, particularly the small investor, is assured safety; income yield is of lesser importance. That is why so many hundreds of thousands of Canadians regard their savings deposits in this bank as the best type of investment. The income may not be so attractive as the promised yield of certain securities, but it is sure and steady, while the principal itself is safe and always remains at full face value.

C. N. R. TRAFFIC VICE - PRESIDENT

MONTREAL, May 9. — The appointment of Alistair Fraser, K.C., as Traffic Vice-President of the Canadian National Railways was announced recently by S. J. Hungerford, President of the National Sys-

ALISTAIR FRASER, K.C.

tem. Mr. Fraser has been Acting Vice-President of the traffic department since October 31, 1932.

One of the most widely known railroad officers in Canada, Mr. Fraser's duties in the past 15 years have brought him in contact with leading men in the industrial and commercial life of the Dominion. As Commission Counsel he represented the company before the Board of Railway Commissioners, of Canada, and the Interstate Commerce Commission, of the United States, in all important cases. These involved many freight problems and brought Mr. Fraser an intimate knowledge of the requirements of shippers in all parts of Canada and the United States.

Born at New Glasgow, N.S., a son of the late Hon. D. C. Fraser, former Lieutenant-Governor of Nova Scotia, Mr. Fraser practiced law in eastern and western Canada until the outbreak of war and served, among other units, with the Princess Patricia's. He won two promotions, to Captain and Major, on the field and was awarded the Military Cross at Vimy Ridge. He was later crossed A.D.C. to General Sir Arthur Currie. After demobilization he joined the Canadian National Railways as General Solicitor and became Commission Counsel in 1923.

In 1929 Mr. Fraser was appointed Assistant General Counsel and continued his duties as representative of the System before the Railway Commission up to the time of his appointment as Acting Vice-President. During his term in the latter office he has taken a keen interest in the development of such shipper-facilities as door-to-door freight shipment and the acceleration of freight deliveries.
